CB Pay – Beyond Mobile Banking

CB Pay is the next-generation mobile banking app by CB Bank. This secure, fast, and feature-rich app lets customers link their savings and current accounts and create a new CB Pay account. Instantly check balances, transfer money, top-up, pay bills, and make payments with QR codes.

CBPay & WavePay: Easy Cash Transactions!

Customers can now easily link their CBPay and WavePay accounts, making cash transactions more convenient.

CB Bank MMQR Digital Payment Switch System

CB Bank MMQR is a Centralized QR Payment System from the Central Bank of Myanmar, linking banks and mobile wallets. It allows merchants to accept payments from any mobile wallet using just one QR code, while customers can easily pay with a quick scan. Key benefits include fast, secure, and cashless payments; real time settlement with real time transaction report; and easy management through the CB Merchant apps and CB Merchant portal.

2025**

CB Card+

CB Card+ app is a comprehensive card management solution. Customers can reset ATM PINs, activate cards, and sign up for MPU E-commerce. Quick transactions and secure payments make financial management easy for customers.

Leading Digital Payment Settlements

CB Bank is a trusted Visa Settlement Bank and the official Settlement Agent for the UPI Card Domestic Net Settlement Service, in collaboration with UnionPay International. We provide quick processing for local and international card payments through secure methods and a digital platform. This partnership has made us a leader in digital payments in Myanmar.

CB Bank's Digital Mastercard/Visa

With CB Bank's Digital Mastercard/Visa, customers can enjoy convenient online shopping, exclusive promotions, and enhanced shopping experiences. Our digital solution eliminates the need for physical cards, offering effortless transactions accessible anytime, anywhere.
